COVID 19 Policy

The Organising Committee is committed to deliver a safe event and, even if it is no longer required by law, to follow the Covid-19 prevention plan, we still ask Teams to minimize the risk of transmission of Covid-19.

Each Team is responsible to exercise maximum care for its team members before, during and after the event.

Each team is also responsible to cover costs and manage possible quarantine/self-isolation for their Team Members.

PI and VI Classification

Documentation Deadline: 21 April 2023

In order to request a classification appointment for a particular athlete, National Federations must submit medical documentation for that athlete via the World Rowing portal (<https://rowingtwo.sportresult.com/>).

This documentation must be submitted in English (or accompanied by a translation), and must include a World Rowing Medical Diagnostics Form (MDF), as well as all supplementary documentation as listed on page 2 of the MDF. Upon review of the documentation, additional documentation may be requested to verify that the athlete has a permanent and verifiable impairment that is eligible for para rowing.

Failure to provide the required medical documentation by the deadline may result in the athlete not being classified and therefore not being able to compete at this event.

Visual Impairment Classification

- Will take place on **6-8 June 2023** (to be confirmed later once Clinic reservation times are confirmed)
- Classification will take place at Ospedale di Circolo Fondazione Macchi – Varese

Physical Impairment Classification

- Will take place on **6-7 June 2023**
- Classification will take place at the Gavirate Rowing Club

Athletes must be available for classification between 9.00 am and 5.00 pm on both classification days. Due to the number of athletes needing classification, World Rowing cannot always accommodate specific appointment requests, and may not be able to classify athletes who are not competing in the regatta.

For questions regarding classification, or for instructions on how to use the portal, please email classification@worldrowing.org
